Jason Lundin Named Beal City Public School's Superintendent

We are excited to introduce Jason Lundin as the new Superintendent of Beal City Public Schools. With a distinguished background in education and a wealth of experience, Jason brings a passion for academic excellence and a commitment to student success to our district.

A proud graduate of Escanaba Area Public Schools and Central Michigan University, Jason's dedication to education has been evident from the outset. At CMU, he earned a Bachelor of Science and a Master of Arts in Educational Leadership, laying the foundation for his future leadership roles.

During his tenure at Clare Public Schools, Jason distinguished himself as a dedicated educator, grant writer, and coach. His contributions to the school community were invaluable, setting the stage for his continued advancement in the field of education.

In 2016, Jason joined Chippewa Hills, where he held various administrative roles, including assistant principal and assistant athletic director, principal, and District MTSS Coordinator, showcasing his versatility and leadership. His appointment as Middle School Principal in 2018 and subsequent promotion to Director of Academics underscore his leadership capabilities and commitment to academic excellence.

Beyond his professional accomplishments, Jason loves his family, and resides in Mt. Pleasant with his wife, Sabrina, and daughter, Mya. Together, they cherish family time, attend sporting events, and explore the joys of travel.

As Superintendent, Jason Lundin brings a unique blend of experience, dedication, and a student-centered approach to Beal City Public Schools. We are confident that under his leadership, our district will continue to thrive, providing exceptional educational opportunities for all students.

Jason began his tenure here at Beal City Public Schools on March 26, 2024. We thank Michael Pung for his superintendent's leadership while he was here. Please join us in welcoming Jason Lundin to our Beal City community!

Our seniors recently headed to Mock Interview Day at Mid Michigan College.

The annual Mayes Elementary Spring Sing will take place on Thursday, May 16th, 2024 at 1:00 p.m. in the elementary gym. Come out for an afternoon of fun and entertainment!

Senior Math Students Celebrate Pi Day

Seniors in Algebra 2B and Precalculus classes celebrated Pi Day and Einstein's birthday on Thursday, March 14th. The number pi is the ratio of a circle's circumference to its diameter. The number is irrational, meaning that it continues on forever, but is approximately equal to 3.14. Students calculated the number pi on a pie, sang Happy Birthday to Einstein, dressed up in pi day attire, competed in pi trivia and pi reciting contests, and of course, ate pie with all the fixings. This year's pi reciting contest winner was senior, Olivia Kunik. She was able to recite 161 digits of the never-ending number from memory. Congratulations Olivia!

What's Cooking?

There's always a meal ready to be served!

Some mornings, it's tough to find the time to make sure your kids are eating a nutritious breakfast. On those days, why not send them to the School Breakfast Program? Each meal meets government nutritional guidelines and standards. Schools are required to provide a breakfast meal that supplies at least ¼ of the Recommended Dietary Allowance for protein, calcium, iron, Vitamin A, Vitamin C, and calories. Check your child's menu to see the variety of nutritious choices available at School Breakfast, or stop by to sample the food yourself!

Every morning our breakfast consists of a hot breakfast item and these cold whole grain items: donuts, assorted cereals, (6-12) uncrustable, fruit and milk. Students must choose a fruit and 2oz grain items to receive the free breakfast.

Location: Aggie Cafe

Breakfast time every day: 7:40-8:05

BREAKFAST IS FREE FOR ALL STUDENTS

Remember, no breakfast will be served if we have a delay.
