Hand Hygiene with Mid Michigan Health

Michelle Miller from Mid Michigan Health came in to do an interactive hand hygiene activity with our students. During cold & flu season it is critical that we do everything we can to minimize the spread of germs. Thank you to Mid Michigan Health for coming in to educate our students.

*****Staff Member of the Month*****

The Beal City Board of Education, in appreciation of the hard work that is done by all members of Beal City Public Schools, would like to honor a staff member each month for their service to the students and community of Beal City. This month's honoree is Tracy Kauppi.

Tracy Kauppi teaches 4th grade at Beal City Elementary. Not only is she an amazing teacher, she also puts in an incredible amount of time on other projects that make the school a better place. Tracy is the lead person on the school's therapy dog program and she is one of the leaders of our Wellness Team. Beal City is lucky to have Tracy Kauppi as a part of our team!

National Honor Society Valentines Bingo

Beal City High School's National Honor Society hosted their annual Valentine's Day Bingo event on Sunday, February 13th. This year they were able to hold the event indoors, and they added a few new components. Community members of all ages came to play several rounds of bingo as well as participate in several raffles. Bingo and raffle prizes included gift cards, assorted chocolates, stuffed animals, and some home decor. This year, NHS also added a cakewalk where participants had the chance to win numerous homemade baked goods. The event was a great success, and NHS looks forward to hosting again next year!

National Technical Honor Society

Congratulations to the following students for their induction into the National Technical Honor Society for their time at the Gratiot-Isabella Technical Center: Pictured from left to right: Kaylee Bushong, Chase Owens, Breanna Onstott, Pepijn De Vos, Christopher Whitehead, Jenna Faber and Natalie Antcliff. Give your child a healthy start!

Mornings can be rushed, but it is important to make time for breakfast.

Children can benefit from the School Breakfast Program! Studies show that school breakfast can improve test scores, make kids more alert in class, and improve classroom behavior. Make sure your kids start the school day with a healthy meal.

Every morning our breakfast for 6th-12th grade students consists of a choice between a hot breakfast item, donuts or uncrustable and will contain fruit and milk. These are pre-packaged for a quick grab-n-go.

K-5 will be eating in the classroom with the choice of the hot breakfast item, fruit and milk

Location: Aggie Cafe

Breakfast time every day 6-12: 7:40am-8:05am

Download the Nutrislice app to your smartphone to view daily breakfast and lunch options (scan the QR code for your specific device; these are hyperlinked too - if you click on them they will take you to your phone's app store).
